

# **Hammerwich Parish Council**

## **Annual Report 25/26**

I would like to start this report by thanking all councillors for their hard work and integrity for all the work that they have undertaken over the last year.

It has however, been tinged with unbelievable sadness with the loss of a very respected councillor, and the resignation of a colourful and, for want of another word, enthusiastic councillor.

On a positive side, we have now managed to get on top of the flooding problem, by yet again bypassing Staffordshire County Council, and, at our expense, by arranging for the drains in the village to be cleared.

We are now the registered 'custodians' of the green on Meerash Lane.

I note with gratitude the ongoing work led by Cllr King, to the upkeep and maintenance of the public footpaths across our parish. I would also like to say thank you to 'Back the Track' for the maintenance work that they have undertaken to keep the new 'Greenway' through to Lichfield in good order.

Looking to the future, we have several projects that are in the process of being completed and undertaken, one of which, hopefully will enhance the work and the commitment of this council to all residents in our parish.

Mi Greenway  
Chair  
Hammerwich Parish Council
